

FURTHER TRAINING

In-house we can offer:

FIRST AID (Accredited Training HLTAID001, HLTAID002, HLTAID003)

This course will provide participants with the skills and knowledge to manage emergency first aid situations until professional medical support is available.

ADVANCED RESUSCITATION TECHNIQUES CERTIFICATE

The **Advanced Resuscitation Techniques** course will develop your skills and knowledge to use oxygen, airway management devices, and automated external defibrillators during resuscitation, and to administer oxygen to conscious or unconscious breathing casualties.

SPINAL MANAGEMENT

This course is designed to address the need to identify and manage victims with suspected spinal cord injuries in the aquatic environment.

SILVER MEDALLION – BEACH MANAGEMENT

This course will provide participants with the skills, knowledge and experience required to manage a lifesaving or lifeguarding team in emergency and non-emergency situations. The course is aimed at people wishing to be patrol captains and senior lifeguards.

AGE MANAGER

The Age Manager Course will provide an entry level, and a developmental program for people wishing to assist with the development of junior members.

With the assistance of SLSWA we can facilitate:

PAIN MANAGEMENT

The aim of this course is to provide participants with the skills and knowledge required by current members or employees of SLSC or its affiliated bodies to be permitted to carry and administer Methoxyflurane.

IRB CREW

The aim of this course is to provide participants with the skills and knowledge to effectively crew an Inflatable Rescue Boat (IRB) in surf rescue operations.

SILVER MEDALLION - IRB DRIVER

The aim of this course is to provide participants with the skills and knowledge to effectively drive and manage an Inflatable Rescue Boat (IRB) in surf rescue operations.
